

THE NEW COMMERCIAL STANDARD

## INTRODUCING THE ALL-NEW 2008 DODGE RAM 4500 & 5500 CHASSIS CABS.

Your business is about to shine. Thanks to a 6.7L Cummins® Turbo Diesel with an integrated exhaust brake and 610 lb-ft of torque that comes with a 5-year/100,000-mile Cummins Diesel Engine Limited Warranty, Ram 4500 and 5500 Chassis Cabs make other trucks pale in comparison. With four available cab-to-axle dimensions and with two cab choices, it sheds light on a whole new way to work. For more information, go to [dodge.com/chassis\\_cab](http://dodge.com/chassis_cab) or call 800-4ADODGE.

The Cummins diesel engine is protected by a separate Diesel Engine Limited Warranty covering the engine for 5 years or 100,000 miles, whichever comes first. See your Dodge dealer for complete details.
